Coin Description: This proof 2010 "The American Veterans Disabled for Life Silver Dollar" is extraordinarily brilliant and features sharp relief and a mirror-like background to highlight the images on both sides of the coin. The coin designs are emblematic of the many stories of our disabled veterans' courage, loyalty and sacrifice.

The **obverse** of this coin features an image of the legs and boots of three veterans. The inscription in the banner along the upper rim, **THEY STOOD UP FOR US**, pays tribute to our courageous disabled veterans who have survived military service injuries for our freedom. Additional inscriptions are **IN GOD WE TRUST, 2010** and **LIBERTY**.

The **reverse** design depicts a forget-me-not flower at the base of a wreath wrapped in a ribbon that cradles and supports clusters of oak branches. The oak branches represent strength, while the forget-me-not is a widely recognized icon that first served as a reminder of those who fought and became disabled in World War I. The inscriptions are **Take This Moment to Honor Our Disabled Defenders of Freedom, UNITED STATES OF AMERICA, E PLURIBUS UNUM** and **ONE DOLLAR**.

The images on the 2010 American Veterans Disabled for Life Silver Dollar capture the service of the brave men and women who have honored us with their selfless duty to defend our country. These veterans often carry permanent life-altering disabilities that serve as strong reminders of the price of freedom.

Surcharges from the sale of this coin are authorized to be paid to the Disabled Veterans' LIFE Memorial Foundation to support the construction of the American Veterans Disabled for Life Memorial in Washington, D.C., authorized by Congress in 2000.

Mintage Limits: The 2010 American Veterans Disabled for Life Silver Dollar is limited to 350,000 coins

(across all product options). **It is expected that the US Mint will sell out of these coins quickly!**
